Hi

What have you done since yesterday?

I wrote the code today

What will you do today?

There is some error I am checking that errors

Anything blocking your progress?

Yeah some errors when running the code

KH

Kirsten Huttar - 02:07 PM

How do you feel today?

I'm operating at peak efficiency—with a full cup of coffee and only mild chaos.

What have you done since yesterday?

Today I met with Louis to review the progress so far on the project

What will you do today?

I will be focusing on updating documentation and getting that pushed up ahead of this weekends deliverable

Anything blocking your progress?

No blocker

JY

John Pranoy Yalla - 11:16 AM

How do you feel today?

Good

What have you done since yesterday?

I worked on connecting SocialMedia links. If the user has any values assigned to them, they will appear in their usual colors say red/blue for the corresponding app. If not they appear grey meaning that the user has not assigned any value to them

What will you do today?

If anybody reaches out to help for the pending stories I will chime in.

How do you feel today?

I've been learning how prisma is utilized to interact with our database!

[Home](#)[My Standups](#)[Analytics](#)[API & Webhooks](#)[Settings](#)**What have you done since yesterday?**

Whoops, I've been learning how prisma is utilized to interact with our database!

What will you do today?

Continue work on a backup solution for ADVNTR-6 in case we need it.

Anything blocking your progress?

Nothing but knowledge, which I'm gaining 😊

Louis Muhammad - 07:55 AM

How do you feel today?

I feel good and full of energy

What have you done since yesterday?

I finished up a basic version of ADVNTR-2 and ADVNTR-1

What will you do today?

I will work on cleaning up some code, a bit of refactoring and writing some test. If I am able, i'll work on ADVNTR-3 - Connect Social Media

Anything blocking your progress?

We don't have a design layout, so I am creating a simple design
